Dear Sir/Madam,

To make your registration at our practice as simple and fast as possible, we request that you do the following:

- Fill in one registration form **per person**.
- Enclose with the registration form a copy of:
 - your ID/ passport
 - your health insurance card
- Please inform your previous doctor that we will become your new doctor. This way we can quickly request your file.

We can only complete your registration when the above has been met.

Until then, your previous GP will remain your practitioner.

Please note this procedure can take two weeks time before it's completed. Only after that you will be able to make an appointment.

The following is also important:

- If you are being treated by a specialist, it is important to indicate to the hospital that we are your new general practitioner.
- You must register separately at a pharmacy.

If you have any questions, please contact our assistant.

Permission National Exchange Point (LSP)

Good, safe and prompt healthcare – that is something we all want and need. Whether we are chronically ill or going to an after-hours health centre after an accident. Good, safe and prompt healthcare starts with information - information about our current state of health. But not all healthcare providers know about your current condition(s) or previous medical problems. Fortunately, they can share important data about our health with other healthcare providers through the National Exchange Point (LSP). But only when necessary. And only if you have given prior permission for the exchange of medical data

Further information you can find at: www.volggezorg.nl/en

I hereby consent to the secure electronic exchange of my medical data via LSP:

- Yes

- No

MijnGezondheid.net (MGN)

Arrange your healthcare when it suits you with MGN.

With MijnGezondheid.net you can arrange healthcare matters online with your general practitioner or pharmacy 24 hours a day, 7 days a week. For example, you can make an appointment online, order medication or send a message. How easy is that?

Further information you can find at: www.mijngezondheid.net (only in Dutch)

I hereby consent to sign up to MGN:
